

MELAMINE woodmatt range

polytec swatches and samples represent a small area of the overall colour structure. To view the large colour sample, visit www.polytec.com.au.

Darker colours will show superficial wear and tear more readily than lighter coloured surfaces and require more care and maintenance.

11.2018

Visit www.polytec.com.au for specific care and cleaning information.

The colours and details shown in this brochure are to the highest standards in printing. However, they should only be used as an indication of actual product colour. To order your free colour sample visit www.polytec.com.au.

The use of our current colour samples gives the colour and finish that a customer would expect to receive. polytec does not guarantee exact colour matches across product ranges due to colour variation in each product group.
