The Boston Oak

COLLECTION

polytec's Boston Oak Collection is a global creative first.

Offering a broad spectrum of 12 colours inspired by traditional methods of staining natural timber, using the original Boston Oak structure as its base, in our signature Woodmatt finish.

The collection ensures the ultimate mix-and-match aesthetic, versatility, and functionality, available in:

- Decorative 18mm doors & panels
- 18mm Surano doors
- 25mm shelving & panels
- Benchtops & laminate range

The Boston Oak Collection is Australian designed, developed and manufactured with unparalleled flexibility and longevity.

Dark coloured surfaces will show fingerprints and require more care and maintenance than lighter coloured surfaces. It is recommended to test a product sample prior to colour selection. **polytec** swatches and samples represent a small area of the overall colour structure.
To view the large colour sample, visit www.polytec.com.au.

The colours and details shown in this brochure are to the highest standards in printing. However, they should only be used as an indication of actual product colour.
To order your free colour sample visit www.polytec.com.au.

The use of our current samples gives the colour and finish that a customer would expect to receive. Samples are provided for colour and finish selection and **polytec** recommend testing a sample for fingerprint resistance and ease of cleaning. **polytec** does not guarantee exact colour matches across product ranges due to colour variation in each product group.

Visit www.polytec.com.au for specific care and cleaning information.
