TERMS & CONDITIONS

1. Only completed projects to be submitted.
2. There are no limits on the quantity of entries.
3. All Polytec products used in all submissions are required to be visible in the entered image.
4. The designer / specifier must be based in the state of submission and be present on the night of the Design Awards, however, the submitted project may be from anywhere within Australia.
5. Material submission is due two weeks prior to the award night in your state.
6. All entries to be submitted via email to:
designawards@polytec.com.au.
7. Entry to the awards are free.
8. Submissions are to be high resolution RGB jpeg and include project name, client and type of project, designer / specifier details, location, Polytec materials used and completion date.
9. Copyrights and image use:
 - a. By entering works in these awards, allows Polytec the use of all submitted material for any media/advertising purposes including but not limited to online, print or screen.
 - b. All images submitted are to belong to the person competing in the Polytec Design Awards and must not carry any copyright from third parties.
 - c. Polytec reserves the right to disqualify an entry found to breach submission terms and conditions.
 - d. Polytec selection of finalists and winners are considered final.
