

GREEN

polytec is committed to an eco-friendly and sustainable environment. It is an intrinsic part of the way we do business daily. Our decisions are made so that they have minimum negative impact on the environment.

Our product is manufactured from managed and renewable plantation pine and is Australian Forestry Standard chain of custody certified. All **polytec** products are manufactured from E0 or E1 CUSTOMwood MDF.

We manage waste responsibly through numerous recycling programs including aluminium and metals, used oils and timber waste is recycled back into energy. We subscribe to local government environmental initiatives and voluntary audits as well as our own internal Energy and Carbon Management Policy (ECM), which aligns with the Australian Government's Energy Efficiency Opportunities (EEO) program.

polytec doors, panels, and benchtops are Australian Made & Owned.

ALFRESCO range	P35	

DELIVERY

polytec's large fleet of company owned trucks is dedicated to delivering **polytec** products across Australia, covering the majority of Metropolitan and Regional areas.

To operate this service we charge a delivery fee of \$28.50 excluding GST. Should you require a delivery to a particular area or region outside our normal delivery route, please contact **polytec** for an estimated delivery charge.

To ensure a safe working environment for our drivers and customers, we have formalised our position on hand unload deliveries.

The following sheet sizes are **Fork Unload** only: **2400 x 1800**, **3115 x 1200**, **3600 x 1200** and **3600 x 1800**.

polytec drivers will also require assistance with hand unload deliveries when the weight of any item exceeds 25 kilograms.

RETURNS

If **polytec** elects to take back an inventory item, it must be in an 'as new' or saleable condition and upon terms agreed.

A re-stocking fee of no less than 15% of invoice value or minimum \$50 (whichever the greater) will apply. Any items not stocked at your local branch and requiring a transfer will incur a restock fee if the order is cancelled when the item is in transit.

MADE TO ORDER (MTO)

Alterations and cancellations must be made within four hours of the order being placed. Any alterations and cancellations after this time will incur full charge. Made to order items, components and custom made doors and benchtops can not be returned. MTO inventory items will incur a restocking fee if cancelled.

polytec does not guarantee exact colour matches across product ranges due to colour variation in each product group.

All 2mm benchtop Edge Tape Ex - NSW

Due to the controls and technology we have within our benchtop manufacturing process **polytec** can manufacture benchtops in a Tight Form radius.

polytec is unable to guarantee our laminates when manufactured to a radius less than 10mm by other manufacturers due to the fact we have no control over any other manufacturers' process.

When ordering **polytec** products please quote the **Item Code**, **Edge Tape Code** and/or **Laminate Code** on your order form. **Products to be returned should be strapped for pick up.**

‡ Limited stock, Ex NSW ⊙ Only available in Tightform, 90°6mm Radius and Square Edge.

◆ Not available in Tight Form and 90° 6mm Radius.

All 2mm benchtop Edge Tape Ex - NSW

Due to the controls and technology we have within our benchtop manufacturing process **polytec** can manufacture benchtops in a Tight Form radius.

1mm Square Edge is available in Woodmatt and Ravine finish only. Woodmatt is available on 21mm and 30mm, Ravine is available in 33mm only.

polytec is unable to guarantee our laminates when manufactured to a radius less than 10mm by other manufacturers due to the fact we have no control over any other manufacturers' process.

When ordering **polytec** products please quote the **Item Code**, **Edge Tape Code** and/or **Laminate Code** on your order form.

Products to be returned should be strapped for pick up.

◇ Supplied with Black backing

Available in Square edge doors & panels only.

For more information and door styles refer to the **polytec THERMOLAMINATED** doors & panels brochure. **polytec** recommend the use of 21mm MR MDF for style 4 doors.

The product is suitable for professionally prepared 2-pack polyurethane or similar coating systems. Water based paints do not tend to bond easily to melamine surfaces and as such, the use of acrylic or domestic oil based paint is not recommended. In all applications, the painting of melamine doors and panels should be referred to a reputable paint-trade professional.

polytec recommend the use of 21mm MR MDF for style 4 doors. For more information and door styles refer to the **polytec THERMOLAMINATED** doors & panels brochure.
