About Polytec

polytec is an Australian marketer and distributor of decorative surfaces dedicated to providing the finest quality products. Across the industry, **polytec** is recognised for innovation, craftsmanship, customer service and the use of quality materials.

In the decorative surfaces category, **polytec** is the fastest growing brand in Australia and is owned by Borg, a privately owned, Australian company. Hallmark to **polytec** is the manufacture of products with the most technologically advanced and computer integrated manufacturing systems.

Through its manufacturing division, Borg is a leading Australian manufacturer of decorative panels and components for joinery applications such as kitchens, bathrooms, laundries, wardrobes and furniture.

Borg manufactured products include:

- cabinet doors: MELAMINE, THERMOLAMINATED, ALUMINIUM and CREATEC
- decorative board products
- BENCHTOPS & laminates

A mark of the company's commitment to Australian manufacturing, is Borg Manufacturing's three sites in New South Wales. Borg is the leading manufacturer of Thermolaminated cabinet doors in Australia, with a world class production facility in Charmhaven, 15,000sqm warehousing and board facility at Somersby, medium density fibre board manufacturing at Oberon and a high pressure laminate production facility in Malaysia.

polytec employs environmental policies and procedures with utmost integrity. Our manufacturing facility has taken great care to ensure that our consumption of water and energy are minimised. Holding Chain of Custody certification with internationally recognised organisations promotes responsible stewardship of the worlds forests.

polytec is Chain of Custody (CoC) certified under the Australian Forestry Standard. Our CoC certification assists to reassure our customers that certified products purchased from us are from legal, well-managed forests.

Driven by a standard that values the best customer service, the **polytec** business in Australia comprises of 17 distribution and administration centers nationally all serviced by it's company own fleet compriming of over 150 trucks to continually exceed customers expectations.
